Robert Waggoner is the author of Lucid Dreaming: Gateway to the Inner Self, and a past President of the International Association for the Study of Dreams (IASD). For the last 18 years, he has been co-editor of the online magazine, The Lucid Dream Experience, the only ongoing publication devoted specifically to lucid dreaming.

~~THE SETH DREAM & LUCID DREAM RETREAT~~

Lucid dreaming is dreaming while being aware that you are dreaming. Lucid dreaming advocates strive to control and guide their dreams. Some desire to avoid recurring nightmares. Others desire fun. Some New Age lucid dreamers, however, believe that lucid dreaming is essential for self-improvement and personal growth.

Do you ever wonder what answers are waiting for you, buried deep within your subconscious? Bring lucidity to your dreams to help unlock the secrets of your unconscious mind! Lucid dreaming is the practice of taking control of your dreamscape. Most people think about exciting their slumber with flight through lucid dreaming, and while this is entirely within the lucid dreamers reach, it also offers up much more than that. Expert Robert Waggoner, who has logged over 1000 lucid dreams, shares his experience to help illuminate your dream world. Learn how to dream with intention and accomplish goals in your sleep. Peppered with personal stories, Waggoner shows you what to look for, how to stay focused, and how to log your lucid dreams to make the process of connecting to your subconscious mind easier with every doze. Lessons in focus and attention while sleeping help you become mindfully aware of your interactions in the real world as well. Lucid dreamers boast improved cognitive function, deeper sleep, and an alertness to the inner workings of their psyche. The elusive and intriguing world of lucid dreaming is now open to you with The Lucid Dreaming Pack. Complete with a book to guide along you along the process of taking control of your dreams and an 80 page dream journal for you to log all of your unconscious adventures. No night stand is complete without it.

While lucid (consciously aware) in the dream state and able to act and interact with dream figures, objects, and settings, dream expert Robert Waggoner experienced something transformative and unexpected. He was able to interact consciously with the dream observer-the apparent Inner Self-within the dream. At first this seemed shocking, even impossible, since psychology normally alludes to such theoretical inner aspects as the Subliminal Self, the Centre, the Internal Self-Helper in vague and theoretical ways. Waggoner came to realize, however, that aware interaction with the Inner Self was not only possible, but actual and highly inspiring. He concluded that while aware in the dream state, one has both a psychological tool and a platform from which to understand dreaming and the larger picture of man's psyche as well.

Imagine being able to fly. Walk through walls. Shape-shift. Breathe underwater. Conjure loved ones—or total strangers—out of thin air. Imagine experiencing your nightmare dreams with the same awareness you possess right now—fully functioning memory, imagination, and self-awareness. Imagine being able to use this power to be more creative, solve problems, and discover a deep sense of well-being. This is lucid dreaming—the ability to know you are dreaming while you are in a dream, and then consciously explore and change the elements of the dream. A Field Guide to Lucid Dreaming, with its evocative retro illustrations, shows exactly how to do it. Written by three avid, experienced lucid dreamers, this manual for the dream world takes the reader from step one—learning how to reconnect with his or her dreams—through the myriad possibilities of what can happen once the dreamer is lucid and an accomplished oneironaut (a word that comes from the Greek oneira, meaning dreams, and nautis, meaning sailor). Readers will learn about the powerful REM sleep stage—a window into lucid dreams. Improve dream recall by keeping a journal. The importance of reality checks, such as “The Finger”—during the day, try to pass your finger through your palm; then, when you actually do it successfully, you’ll know that you’re dreaming. And once you become lucid, how to make the most of it. Every time you dream, you are washing up on the shores of your own inner landscape. Learn to explore a strange and thrilling world with A Field Guide to Lucid Dreaming.

Lucid dreams are dreams in which a person becomes aware that they are dreaming. They are different from ordinary dreams, not just because of the dreamer's awareness that they are dreaming, but because lucid dreams are often strikingly realistic and may be emotionally charged to the point of elation. Celia Green and Charles McCreery have written a unique introduction to lucid dreams that will appeal to the specialist and general reader alike. The authors explore the experience of lucid dreaming, relate it to other experiences such as out-of-the-body experiences (to which they see it as closely related) and apparitions, and look at how lucid dreams can be induced and controlled. They explore their use for therapeutic purposes such as counteracting nightmares. Their study is illustrated throughout with many case histories.

Between the Gates is a manual of self-initiation and liberation that takes the student through the basic methods of experiencing dream states and conscious astral projection, to the ultimate culmination of consciousness--creation of the Body of Light. Between the Gates is for anyone who has ever desired to experience the "afterlife" while still alive, or who has desired to rid themselves of the fear of death. While drawing upon traditional Qabalistic and alchemical sources, the methods presented are applicable to a variety of traditions and schools of thought. Between the Gates functions as an "A to Z" guide to psychic initiation toward higher consciousness, and ultimately, to preparation for the great transition beyond this life and this physical body.

With more than 250,000 copies sold, this classic exploration of dreams and how to use them has been updated to reflect recent research on dreams and dreaming.

A dynamic exposition of the powerful, ancient Sephardic tradition of dreaming passed down from the renowned 13th-century kabbalist Isaac the Blind • Includes exercises and practices to access the dream state at will in order to engage with life in a state of enhanced awareness • Written by the close student of revered kabbalist Colette Abouker-Muscat In Kabbalah and the Power of Dreaming Catherine Shainberg unveils the esoteric practices that allow us to unlock the dreaming mind's transformative and intuitive powers. These are the practices used by ancient prophets, seers, and sages to control dreams and visions. Shainberg draws upon the ancient Sephardic Kabbalah tradition, as well as illustrative stories and myths from around the Mediterranean, to teach readers how to harness the intuitive power of their dreaming. While the Hebrew Bible and our Western esoteric tradition give us ample evidence of dream teachings, rarely has the path to becoming a conscious dreamer been articulated. Shainberg shows that dreaming is not something that merely takes place while sleeping—we are dreaming at every moment. By teaching the conscious mind to be awake in our sleeping dreams and the dreaming mind to be manifest in daytime awareness, we are able to achieve revolutionary consciousness. Her inner-vision exercises initiate creative and transformative images that generate the pathways to self-realization.

Lucid Dreaming is an exciting new book that explores the 'Why? How? Wow!' of waking up to life by becoming conscious in your dreams. This book contains: a host of tips and techniques for becoming lucid in your dreams holistic and spiritual benefits of living a more awakened life amazing, real-life case studies contributions from the world's leading lucid dreaming experts learning modules designed to help you wake up to your full potential!
