A persuasive manager is more aware of their employees, but it wouldn't be correct to say that the persuasive style of management is more inclusive of employees. Just as there are occasions where the use of an autocratic management style would be appropriate, there are also instances where a company will benefit from a persuasive management style.

communication? Answering those questions is why I spent the last ten years studying project management communication and what makes a successful project. Not only as a working project manager but as a communication researcher. I found that project management communication needs to be reinvented for today's more complex and agile projects. Communication is no longer just the transfer of information and giving directives to project teams. Modern communication theory is based upon creating shared understanding - "the coordinated management of
