cartographic excellence, trusted by governments, media and international organisations as well as being a go to reference source for households across the country. It's independent--apolitical and neutral, elegant in an attractive slipcase, and endlessly fascinating. Produced by the world's leading atlas makers for over 100 years, it's bought by over 1 million people worldwide.

Fully updated with extra information next to each map, making this a perfect reference tool for exploring the world. The latest mapping provides an amazingly detailed view of the world with extensive geographical information beside each map, giving the reader a greater understanding of each area, reflecting recent geopolitical and geographical change around the world. A fascinating collection of maps from the last 150 years of world atlases included in an expanded historical mapping section.

Eighth edition of this popular atlas from the prestigious and authoritative Times Atlas range. Latest satellite images and fascinating historical maps. This world atlas contains the breadth, scale and detail to make it an ideal reference resource for school, home and business. The atlas has been brought fully up-to-date to provide a detailed and attractive picture of the world today. The beautifully illustrated

Where To Download The Times Universal Atlas Of The World

introductory section gives a detailed profile of today's world and covers major contemporary geographical and global issues - such as environment and population growth - through maps, images, statistics and graphics. The fully up-to-date reference maps give exceptional detail and provide accurate, accessible and attractive coverage, helping you explore the world. 44 city plans of the world's major cities, showing major places of interest, have also been revised.

This new edition of The Times Desktop Atlas of the World has been fully revised to bring all the maps and geographical information completely up-to-date. Detailed maps in the distinctive and respected Times style provide balanced, systematic coverage of all parts of the world. Each continent is introduced by a political map showing individual countries, followed by regional maps showing towns and cities, roads, railways, international boundaries and topography. A geographical reference section shows flags, statistics and facts for the world's states and territories. Statistics and world maps explain major geographical themes, including population, cities, climate, the environment and telecommunications.

The Times Atlas of the World Desktop edition is a complete world reference atlas in a convenient, value-for-money and easy-to-use format, retaining the authority, style and
