Two Princesses

The Two Princesses of Bamarre is an unusual tale of bravery and honour.

The Two Princesses of Bamarre: Amazon.co.uk: Levine: Books

Drualt fought Bamarre ' s monsters—the ogres, gryphons, specters, and dragons that still plague us—and he helped his sovereign found our kingdom. Today Bamarre needed a hero more than ever. The monsters were slaughtering hundreds of Bamarrians every year, and the Gray Death carried away even more.

A kingdom beset by monsters . . . A disease that weakens and destroys . . . An epic poem and a hero of long ago . . . A story of danger and desperation. The two princesses of Bamarre couldn't be more different. Princess Addie is fearful

and shy. Her deepest wish is for safety. Princess Meryl is bold and brave. Her deepest wish is to save the kingdom of Bamarre. They are sisters, and they mean the world to each other. Then disaster strikes, and Addie—terrified and unprepared—sets out on a perilous quest. In her path are monsters of Bamarre: ogres, specters, gryphons, and dragons. Addie must battle them, but time is running out, and the sisters' lives—and Bamarre's fate—hang in the balance. Gail Carson Levine left her mark on fantasy with her well-loved 1998 Newbery Honor Book *Ella Enchanted*. Now she has created another shimmering and tapestried landscape of fantasy and fairies. *Bamarre and the journeys of its two princesses* will burn themselves into the minds of readers, and all will relish this moving saga about two sisters groping their way toward heroism.

Now in mass-market paperback--the epic fantasy by the Newbery Honor author of "*Ella Enchanted*."

Newbery Honor author of *Ella Enchanted* Gail Carson Levine weaves a spellbinding tale about a clever heroine, a dragon detective, and a shape-shifting ogre. Newly arrived in the town of Two Castles, Elodie unexpectedly becomes the assistant to a brilliant dragon named Meenore, and together they solve mysteries. Their most important case concerns the town's shape-shifting ogre, Count Jonty Um: Someone is plotting against him. Elodie must disguise herself to discover the source of the threat amid a cast of characters that includes a greedy king, a giddy princess, and a handsome cat trainer. Readers who loved *Ella Enchanted* and *Fairest* will delight in this tale of a spirited heroine who finds friendship where she least expects it and discovers that goodness and evil come in all shapes and sizes.

This beloved Newbery Honor-winning story about a feisty heroine is sure to enchant readers new and old. At her birth, Ella of Frell receives a foolish fairy's gift—the “ gift ” of obedience. Ella must obey any order, whether it's to hop on one foot for a day and a half, or to chop off her own head! But strong-willed Ella does not accept her fate... Against a bold backdrop of princes, ogres, giants, wicked stepsisters, and fairy godmothers, Ella goes on a quest to break the curse forever.

Ella Enchanted How can a fairy's blessing be such a curse? At her birth, Ella of Frell was the unfortunate recipient of a foolish fairy's gift—the "gift" of obedience. Ella must obey any order given to her, whether it's hopping on one foot for a day and a half, or chopping off her own head! But strong-willed Ella does not tamely accept her fate. Against a bold backdrop of princes, ogres, giants, wicked stepsisters, and fairy godmothers, Ella goes on a quest to break the curse—once and for all. In this incredible debut novel comes the richly entertaining story of Ella of Frell, who at birth was given the gift of obedience by a fairy. Ella soon realizes that this gift is little better than a curse, for how can she truly be herself if at anytime anyone can order her to hop on one foot, or cut off her hand, or betray her kingdom and she'll have to obey? Against a bold tapestry of princes, ogres, giants, wicked stepsisters, and fairy godmothers, Ella's quest to break the curse once and for all and discover who she really is is as sharply funny as Catherine, Called Birdy and as richly poignant as Beauty, and has all the marks of a classic in the making. the castle walls. The one thing that the sisters share is their unwavering love for each other. The tables are turned, however, when the Gray Death leaves Meryl fatally ill. To save her sister, meek Princess Addie must find the courage to set out on a dangerous quest filled with dragons, unknown magic, and death itself. Time is running out, and the sisters' lives—and the future of the kingdom of Bamarre—hang in the balance. Fairest Once upon a time, there was a girl who wanted to be pretty . . . Aza's singing is the fairest in all the land, and the most unusual. She can "throw"t her voice so it seems to come from anywhere. But singing is only one of the two qualities prized in the Kingdom of Ayortha. Aza doesn't possess the other: beauty. Not even close. She's hidden in the shadows in her parents' inn, but when she becomes lady-in-waiting to the new queen, she has to step into the light—especially when the queen demands a dangerous favor. A magic mirror, a charming prince, a jealous queen, palace intrigue, and an injured king twine into a maze that Aza must penetrate to save herself and her beloved kingdom.

In a land far, far away . . . A boy with magical powers to win Princess Charming's heart. A fairy who likes turning humans into toads. A true love forbidden by the King. A world of fairies and magic -- what could be more perfect than that? But is it perfect enough to help a simple farm boy marry a beautiful princess? And if an unruly fairy turns a maiden into a toad, how does she turn herself back? And can a fairy -- even a helpful one -- change a stubborn king's law? Welcome to a land where Princess Charming saves the day, the prince must kiss the toads, and nothing is as it seems! Now in one volume, three hilarious chances at happily-ever-after from the Newbery Honor author of *Ella Enchanted*: *Cinderellis* and *the Glass Hill For Biddle's Sake* The Fairy's

Return

Set in the world of the Newbery Honor-winning *Ella Enchanted*, this tale by beloved author Gail Carson Levine stars a clever heroine who is determined to defy expectations—and outwit a fairy’s curse. Evie is happiest when she is healing people, diagnosing symptoms and prescribing medications, with the help of her devoted friend (and test subject) Wormy. So when Wormy unexpectedly proposes to her, she kindly turns him down; she has far too much to do to be marrying anyone. And besides, she simply isn’t in love with him. But a certain meddling fairy named Lucinda has been listening in, and she doesn’t approve of Evie’s rejection. Suddenly, Evie finds herself transformed from a girl into a hideous, hungry ogre! Stuck in this new and confusing form, Evie now has only sixty-two days to accept another proposal—or else be stuck as an ogre forever.

Ever since Newbery Honor author Gail Carson Levine introduced the magical village of Snettering-on-Snoakes in the faraway Kingdom of Biddle, young readers have been laughing their way through her hilarious retellings of famous and not-so-famous fairy tales. Now, for the first time, the six beloved Princess Tales are together in one magnificent volume: The high jinks begin in *The Fairy's Mistake*, which pokes fun at a meddlesome fairy whose plans for good go terribly awry. In *The Princess Test*, the author spoofs the notion that a pea can prove a person's pedigree. *Princess Sonora and the Long Sleep* features a genius of a princess, a hundred years of snooze, two princes, and a flock of balding sheep! *Cinderella is a Boy in Cinderellis and the Glass Hill*, and the glass slipper is a glass hill. In *For Biddle's Sake*, Parsley tries to forget her beloved

prince and get used to life as a Biddlebum Toad. The road to happily-ever-after isn't easy when a baker's son and a princess fall in love in *The Fairy's Return*. Elements of the classics are woven into these not-so-typical retellings of "Toads and Diamonds," "The Princess and the Pea," "Sleeping Beauty," "The Princess on the Glass Hill," "Puddocky," and "The Golden Goose." The fresh and funny twists on favorite fairy tales will win the hearts and capture the imaginations of young readers everywhere.

A bright and hilarious romp from Vivian Vande Velde, the award-winning author of *The Princess Imposter*.

A “ deliciously frothy fairy tale ” from the award-winning author of *The Book of Boy* and the *Dairy Queen* series (*Horn Book Magazine*, starred review). Catherine Gilbert Murdock ’ s talents for storytelling and creating strong female characters take a fresh turn in this spirited and sophisticated fairy tale. Benevolence is not your typical princess. With her parents lost to assassins, Princess Ben ends up under the thumb of the conniving Queen Sophia. Starved and miserable, locked in the castle ’ s highest tower, Ben stumbles upon a mysterious enchanted room. So begins her secret education in the magical arts: mastering an obstinate flying broomstick, furtively emptying the castle pantries, setting her hair on fire . . . But Ben ’ s private adventures are soon overwhelmed by a mortal threat to her kingdom. Can Ben save the country and herself from foul tyranny? “ Murdock spins a rip-roaring yarn that borrows fairy-tale conventions (particularly from “ *Sleeping Beauty* ”) and reverses them to suit her strong, resourceful heroine. The wild adventure, intricately imagined setting, memorable characters, and romance will charm readers, especially fans of Gail Carson Levine ’ s *Fairest*. ” —Booklist
