Three Comrades (German: Drei Kameraden) is a novel first published in 1936 by the German author Erich Maria Remarque. It is written in first person by the main character Robert Lohkamp, whose somewhat disillusioned outlook on life is due to his horrifying experiences in the trenches of the First World War's French-German front.

From the acclaimed author of All Quiet on the Western Front comes Three Comrades, a harrowing novel that follows a group of friends as they cope with upheaval in Germany between World Wars I and II. The year is 1928. On the outskirts of a large German city, three young men are earning a thin and precarious living. Fully armed young storm troopers swagger in the streets. Restlessness, poverty, and violence are everywhere. For these three, friendship is the only refuge from the chaos around them. Then the youngest of them falls in love, and brings into the group a young woman who will become a comrade as well, as they are all tested in ways they can have never imagined. Written with the same overwhelming simplicity and directness that made All Quiet on the Western Front a classic, Three Comrades portrays the greatness of the human spirit, manifested through characters who must find the inner resources to live in a world they did not make, but must endure. “ The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure. ” —The New York Times Book Review

From the acclaimed author of All Quiet on the Western Front, one man ’ s dream of freedom inspires a valiant resistance against the Nazi war machine. For ten years, 509 has been a political prisoner in a German concentration camp, persevering in the most hellish conditions. Deathly weak, he still has his wits about him and he senses that the end of the war is near. If he and the other living corpses in his barracks can hold on for liberation—or force their own—then their suffering will not have been in vain. Now the SS who run the camp are ratcheting up the terror. But their expectations are jaded and their defenses are down. It is possible that the courageous yet terribly weak prisoners have just enough left in them to resist. And if they die fighting, they will die on their own terms, cheating the Nazis out of their devil ’ s contract. “ The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure. ” —The New York Times Book Review

A haunting classic from the author of All Quiet on the Western Front, Shadows in Paradise reveals the deepest scars of the men and women who experienced the Holocaust. After years of hiding and surviving near death in a concentration camp, Ross is finally safe. Now living in New York City among old friends, far from Europe ’ s chilling atrocities, Ross soon meets Natasha, a beautiful model and fellow é migr é , a warm heart to help him forget his cold memories. Yet even as the war draws to its violent close, Ross cannot find peace. Demons still pursue him. Whether they are ghosts from the past or the guilt of surviving, he does not know. For he is only beginning to understand that freedom is far from easy—and that paradise, however perfect, has a price. “ The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure. ” —The New York Times Book Review

From one of the twentieth century ’ s master novelists, the author of the classic All Quiet on the Western Front, comes Heaven Has No Favorites, a bittersweet story of unconventional love that sweeps across Europe. Lillian is charming, beautiful . . . and slowly dying of consumption. But she doesn ’ t wish to end her days in a hospital in the Alps. She wants to see Paris again, then Venice—to live frivolously for as long as possible. She might die on the road, she might not, but before she goes, she wants a chance at life. Clerfayt, a race-car driver, tempts fate every time he ’ s behind the wheel. A man with no illusions about chance, he is powerfully drawn to a woman who can look death in the eye and laugh. Together, he and Lillian make an unusual pair, living only for the moment, without regard for the future. It ’ s a perfect arrangement—until one of them begins to fall in love. “ The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure. ” —The New York Times Book Review

After Stalin died a torrent of Western novels, films, and paintings invaded Soviet streets and homes. Soviet citizens invested these imports with political and personal significance, transforming them into intimate possessions. Eleonory Gilburd reveals how Western culture defined the last three decades of the Soviet Union, its death, and afterlife.

From the author of the masterpiece All Quiet on the Western Front, The Black Obelisk is a classic novel of the troubling aftermath of World War I in Germany. A hardened young veteran from the First World War, Ludwig now works for a monument company, selling stone markers to the survivors of deceased loved ones. Though ambivalent about his job, he suspects there ’ s more to life than earning a living off other people ’ s misfortunes. A self-professed poet, Ludwig soon senses a growing change in his fatherland, a brutality brought upon it by inflation. When he falls in love with the beautiful but troubled Isabelle, Ludwig hopes he has found a soul who will offer him salvation—who will free him from his obsession to find meaning in a war-torn world. But there comes a time in every man ’ s life when he must choose to live—despite the prevailing thread of history horrifically repeating itself. “ The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure. ” —The New York Times Book Review

"Written during the last years of the Weimar Republic, the two novels collected here address the urgent problems of that age. Both Erich Maria Remarque (1898-1970) and Joseph Roth (1894-1939) served in World War I, Remarque with the German army and Roth with the Austrian. Their experiences would help define what Gertrude Stein referred to as the "Lost Generation." All Quiet on the Western Front is the testimony of a soldier who had become aware of how much he, and those of his generation who had survived, had been affected by the trauma of the Great War. For Joseph Roth, World War I had cost him his homeland and turned him into a nomad. Job, in abridged form for The German Library, addresses the theme of Jewish identity in a newly mobilized society."--Jacket.
