Are you seeking meaning and fulfillment in your life? We all have an innate need to know and feel that our lives are significant. Take heart therefore because you are not alone. The challenge is that we live at an age where information and choices flood our

# Online Library Thriving In Your Career In

sensory senses at a quantum speed. So, if your answer is yes, I wrote this book journal for you. I firmly believe that we are living at a very interesting time, when all of us are being challenged one way or another. Therefore, if you do not know who you are, why you are, where you are and when you are—escaping from the snare of this era will not only be difficult, but will likely leave you in a state of apathy, frustrations, confusion, or tossed to and from by the winds of likes and follow clicks on the social media sphere, and that is not your Creator's desire and will for you and I.

Thursday Night Football on CBS. In Faith in the Spotlight she shares her practical advice for achieving excellence in career, faith, and family and gives us an honest look at thriving in a secular industry as a believer. At just thirty-five, Megan Alexander has successfully built a career in the competitive television industry without compromising her faith and values. But while she has experienced the triumphs of that dynamic entertainment lifestyle, she knows how difficult it can be for Christian women to get ahead in their careers and simultaneously navigate their roles at home and in their faith. She offers a fresh and millennial-centered perspective on how to build a successful career while

# Online Library Thriving In Your Career In

Administration Caring a family. In Faith in the Spotlight, Megan addresses how to succeed in your career while also staying true to one's beliefs. She gives inspiring, real-life examples of why women can—and should—lead in the workplace. She also shares valuable insight and behind-the-scenes stories from her interviews with famous athletes, media moguls, entertainers, and more. Drawing on her experience, she offers advice for plotting a career path, negotiating job contracts, competing and succeeding with the best and the brightest, and navigating difficult situations while maintaining strong faith and values. She also writes about the importance of mentors, coping

# Online Library Thriving In Your Career In

with rejection, handling high-pressure situations, and the ways being a Christian fulfills her role in a superficial society. Faith in the Spotlight is an intelligent, thought-provoking book about achieving success, and will leave anyone empowered to dive into their career!

We hope this book will serve as a resource for people who are contemplating a career in higher education, those that desire to excel in current positions, or those that desire to navigate to other positions in higher education. The book includes tips, informational resources, questions for reflection, and spotlights on professionals whose practices serve as an inspiration.

# Online Library Thriving In Your Career In

We selected tips that are easy to adopt, low cost or no cost, and effective. There is also a section for journaling during the higher education journey. We hope this book is equally useful to both individuals and groups as a part of professional development activities or course instruction.

What do Elon Musk, Warren Buffet, Marissa Mayer, and Bill Gates all have in common outside of being wildly successful? They are all introverts. In today's fast-paced, unstable workplace achieving success requires speaking up, promoting oneself and one's ideas, and taking initiative. Extroverts, fearless in tooting their own horns, naturally thrive in this environment, but

Disabilities

to be successful in your initial years.

Heels of Steel tracks the trials and tribulations of “the most networked woman in the City” (Evening Standard); a woman who started in the City at just 15 and worked her way up to C-suite. Having achieved everything she thought she’d ever wanted, Vanessa quickly learnt that success often comes at a great deal of personal cost and compromise. The constant battling and accomplishment of the ultimate grand prize eventually took its toll and drastically altered her definition of ‘success’, encouraging a life-changing move in a new direction. From periods of glittering success

# Online Library Thriving In Your Career In

Administration Serving Individuals With Intellectual And Developmental Disabilities

to hear total derailment, Heels of Steel unveils the truth behind a woman's climb to success in the male dominated City world. You are invited to follow her journey as she scales (and slips up and down) the corporate ladder, digging her heels in to avoid being absorbed by the politics and alpha male behaviour still prevalent in so many corporate environments. A mid-career realisation about her deep-rooted need to rediscover and be proud of her femininity helped Vanessa to discover things she never knew about herself, and introduced much-needed support from other women, which had been absent throughout her career. The book provides transparent insight into the world of corporate women,

# Online Library Thriving In Your Career In

addresses the challenges facing every ambitious person throughout their career journey and tackles our never-ending search for balance. Packed with tips, advice and practical steps based on real life experiences, this autobiographical story is also a practical guide that will fast become a must-read for anyone seeking to not only survive the corporate jungle, but stand some chance of thriving in it!
