Six Words Fresh Off the Boat marries the phenomenon of Larry Smith's successful Six-Word Memoirs with ABC and 20th Century Fox Television's hit comedy Fresh Off the Boat. The book captures hundreds of takes on the immigration experience, from every-day people as well as world-famous celebrities including Aziz Ansari, Chimamanda Ngozi Adichie, Julianne Moore, Mario Batali, George Takei, Neil Gaiman, Amanda Palmer, Billy Collins, Junot Díaz, and Dr. Sanjay Gupta. This book will have you thinking in sixes and challenging others to share six words about their lives.

This biography was originally published in 1983 and has not been updated. Any events after 1983 are not included. Best known for his role as Hawkeye Pierce on the award-winning TV series M*A*S*H, Alan Alda has made his way into Hollywood's spotlight while keeping remarkably free of its whirlwind parties and endless gossip. He remains a private man—an actor whose personal life and politics are far different from the character of the womanizing, side-cracking army doctor that brought him international fame. In Alan Alda: The 1983 Biography, biographer Raymond Strait succeeds in presenting Alda's life and career with illuminating, and sometimes surprising, details. Tracing Alda's theater credits, from his early experience as a struggling New York actor to his starring roles in films like Same Time Next Year, The Seduction of Joe Tynan, and The Four Seasons, Strait also reports on Alda's work as a screenwriter and director. A comprehensive look at Alda's immense popularity, this biography contains revealing insights from friends, childhood sweethearts, and fellow actors. But this is not a sugar-coated star portrait, and Strait gives us Alda's traumas as well as his triumphs: his childhood battle with polio, his parents' divorce, and the tense moments that Alda's personal convictions have caused, both on the set and off. With unexpected revelations about Alda's views on women, his work, and the future, this fascinating biography promises to show new dimensions of this talented enigmatic man.

What is stopping you from having a great career? The answer, quite probably, is you. After all, it is so easy to settle for the dull but safe, or to allow yourself to become trapped in a career you dislike, or to persuade yourself that the job you really want is out of your reach. But it doesn't have to be that way. In No Fears, No Excuses, renowned 'career whisperer'

Professor Larry Smith shows you precisely how to secure a great future. Building on his hugely popular TEDx talk, 'Why You Will Fail to Have a Great Career', he shows why people so often get stuck on the wrong path. He then takes you step by step from that initial point when you are considering your options to the moment when you pitch for that perfect job – showing you exactly what decisions you need to make, and when. Whether you are starting out, looking to move up, or hoping to change direction altogether, this book will guide you towards a happier, more fulfilled career – now.

In 1973, the music scene was forever changed by the emergence of hip-hop. Masterfully blending the rhythmic grooves of funk and soul with layered beats and chanted rhymes, artists such as DJ Kool Herc and Grandmaster Flash paved the way for an entire new genre and generation of musicians. In this comprehensive, accessible guide, Paul Edwards breaks down the difference between old school and new school, recaps the biggest influencers of the genre, and sets straight the myths and misconceptions of the artists and their music. Fans old and new alike will all learn something new about the history and development of hip-hop, from its inception up through the current day, in The Concise Guide to Hip-Hop Music.
