As the show's director, Darcy's career would be on track again. And she can finally have a life apart from the vampire harem. Okay, so she's still technically dead, but two out of three's not bad. Now she just has to make sure that a mortal doesn't win. If only she wasn't so distracted by a super-sexy and live contestant named Austin... But Darcy doesn't know the worst of it. Austin Erickson is actually a vampire slayer! And he's got his eye on the show's leggy blond director. Only problem is, he's never wanted any woman—living or dead—as badly. But if he wins her heart, will he lose his soul? And if it means an eternity of hot, passionate loving with Darcy, does that really matter anyway?

An "innovative" (*The New Yorker*) retelling of the story of Dracula. Told with the flourish and poise of a talented storyteller, Kostova turns the age-old tale into a compelling "late night page-turner" (*San Francisco Chronicle*) When a young woman discovers a cache of ancient letters, she is thrown into the turbulent history of her parents' dark pasts. Uncovering a labyrinthine trail of clues, she begins to reconstruct a staggering history of deceit and violence. Debut novelist Elizabeth Kostova creates an adventure of monumental proportions, a relentless tale that blends fact and fantasy, history and the present, with an assurance that is almost unbearably suspenseful and utterly unforgettable.

There once was a young boy who lived with his parents in Detroit, Michigan. His name is Vamp Count Castle and he is an only child. Vamp was a normal boy who lives a normal life. Vamp was a quiet boy; he always stayed to himself and did not bother anyone. Vamp was very smart when it came to school; he was a straight "A" student. Vamp's parents were only children as well and his parents lived in the same neighborhood all their lives. The neighborhood where his parents were born and raised is not one of the best neighborhoods in Detroit. Vamp's parents worked all of their lives for the school system in Detroit. His father worked as a janitor and Vamp's mother worked as a music teacher. His parents made just enough money to get by. Vamp is growing up in this same neighborhood as his parents. As a young boy, growing up in Detroit. Vamp did not have much like some of the other kids in the neighborhood. Back in the day, living in Detroit was a real struggle for the Castle family. They found it hard to move away because times were hard. Moving out of the state was not even an option because they did not have the money. One day things changed in Vamp's life, Vamp and his father Mr. Castle went to the flea market that is when Vamp ran into an old man that would change his life forever. The man gave Vamp a little black box. Vamp is older now, this is his last year in high school, prom was coming up, and so was Vamp's 18th birthday all on June 6. Vamp knew he was going to the prom, but he did not know who he was taking with him. He had to make a choice between two girls. His first choice was to take his first love Vana or his second choice was to take the school slut Vanessa. Vana has always liked Vamp since they were in 4th grade but Vamp just was not into Vana like that. The night of Vamp's 18th birthday, which also happened to be prom night, was when everything started to evolve. Vamp had his first taste of blood and it was so good to him. As Vamp got a little older he became more aggressive and controlling with people, including his father. Vamp always thought his father was hiding something from him, but what? Vamp said one day he would find out even if it kills him. This story will keep you on your toes. It is filled with so much mystery and suspense, love and lots of drama.
