Hell, and earn His gratitude. It's a shame that nothing is ever easy when it comes to the Devil. Because of course, he doesn't tell Dante the whole truth: there is a rebellion brewing in Hell. And there is a good chance that Lucifer is about to be pushed off the throne. But Dante is getting really tired of being pushed around. And this time, she might be angry enough to take on the Devil himself... "Dark fantasy has a new heroine." --- SFX When the dead call, she answers. Bounty hunting is a helluva job, but it pays the bills. And it lets Necromancer Dante Valentine forget her issues---like struggling with her half-demon side and the memory of her lover's death. Now psychics all over the city are being savagely murdered---and a piece of the past Dante thought she'd buried is stalking the night with a vengeance. Too bad she's got no way to tell which fiend--or friend--to trust. Or that her most horrifying nightmares are gathering to take one kick-ass bounty hunter down for the count. But that's only the beginning. The Devil just called. He's looking for Dante's lover--the one he killed... theories. In this book, Samael Aun Weor demonstrates how to confirm for yourself the reality of the inferior levels of life, and how to avoid them. Although modern culture laughs at the mere mention of the devil and hell while simultaneously indulging deeply in them via popular music, movies, and television, the practical reality remains completely unknown to the general public. Samael Aun Weor discusses his personal, conscious experiences of the inferior worlds and the beings who reside there. By application of ancient techniques preserved by the Gnostic tradition, anyone can confirm with certainty what exists in the subtle dimensions of nature, whether above or below. Learn the true identity of both the Devil and Lucifer, and how to harness the forces of nature in order to be propelled towards a higher way of life. Dispels centuries of beliefs and theories, while explaining the essential truths hidden in ancient symbols Provides practical steps towards acquiring your own experience of the truth Supported by solid science and authentic spiritual traditions
